Dear Members & Adult Volunteers of JDI,

It has been brought to our attention that the Salutation Sign that has been published is not the one that was approved by the body at Supreme Session 2024. Revision, proofing, and checking the law is never an effortless process for any project, let alone a project of this size. Thank you to Patty Reardon, our chairperson of Supreme Jurisprudence, who rewatched the business meetings from Supreme Session 2024 to ensure we have the correct version.

We know that you must have questions, comments, or concerns about the new Ritual, please contact our Supreme Guardian, Jennifer at [supreme.guardian@jdint.org](mailto:supreme.guardian@jdint.org). This is the only person that should be contacted about corrections, comments, or concerns about the new Ritual.

Bee the Change in 2025,

Jennifer M. Selock, PHQ
