

SUPREME LIBRARIAN PROJECT TERM 2023/2024 FOR ACTIVE DAUGHTERS AND BEEHIVES

ACTIVE DAUGHTERS

Librarian is a discreet position filled with beautiful information. They should be a stimulator for good reading, arts, and sciences, bringing knowledge that should always be welcomed by all of us. This year, our work's purpose is to weave Job's Daughters through the fabric of our lives (*Weaving Job's Daughters Through the Fabric of Our Lives*). Let's think of our life as a tree, with several branches – what would we have on these branches? People? Opportunities? Difficulties? Happiness? How can we apply the knowledge offered by our organization? How many trees like ours will we find along the way? How about joining me on this journey, and together, finding more trees willing to build the most beautiful fabric we've ever seen? We have a management task: you all walking, nurturing, and weaving out there, and us over here, together strengthening Job's Daughters International.

At the end of this term, we hope to gather all the incredible ideas from our Daughters and share them with everyone, revealing different paths and trees.

Check the delivery dates at the bottom of each project. We encourage work to be completed in advance! Daughters who submit all four projects throughout the term will be recognized at the 2024 Supreme Session. Send your projects to me Kathlenn Bezerra at supremelibrarian@jdint.org. Make sure that the subject line of your email reads 'Librarian's Project Entry'.

Task #1 – Presentation

Become a free writer! Write a newsletter with the requested information or an article for social media, presenting the tree of YOUR life. I'll assist you with this writing guide. Make your news a delightful read!

- What do you carry on your branches?
- What does your tree use as fertilizer? What makes your tree grow? What do you feed your tree?
- Now, you need to identify your tree. Take an individual tag and name it. What's the identification of your tree? Use names or phrases.

All set? Now, you send it to: supremelibrarian@jdint.org

Project Deadline: February 2, 2024

Task No. 2 – Strategic Stop

My journey is being led with plenty of sun and high temperatures, how about yours? What's the weather like over there? Is it cold or warm? Are you bundling up or wearing light clothes? In this way, it's better to find a tree and rest. Walking tired is terrible! How about listening to some good music and enjoying another pleasant company? Tell me now!

- Choose a song that you like, that calms you, that makes you reflect, that uplifts you! How about using it at the Bethel? Ask your HQ, there are several moments where we can play inspiring music.
- Ah! After this moment, shall we take a beautiful photo? To capture every kind of listen during our journey.
- The music should be signed by the Bethel Guardian, ensuring the execution of this activity.

Send me the song (artist and name, with the chosen version) and Bethel's photo to my email: supremelibrarian@jdint.org.

Project Deadline: March 1, 2024"

Task No. 3 – Company

The journey is long... What saves us are the companions! Time flies in a good conversation, it's already March, my Sisters! Well, you walk and walk, and suddenly there's a tree that captivates you. Did you notice it? I was amazed by my tree. It had a tag: 'remarkable woman.' Wow, I was ecstatic with my remarkable woman: each beautiful story motivated me to keep walking. But now it's your turn, tell me. Who is your remarkable woman? Which woman do you admire? Who do you look up to? Introduce this tree to us. Send a photo with a word that defines her!

We're eager to know who you've encountered on your path to keep you company. Oh!

It's not March by chance, right? Send it to: supremelibrarian@jdint.org.

Project Deadline: April 5, 2024

Task No. 4 – The Journey is the Reward

Our journey is coming to an end, but each of us should keep in memory the memories, the companions, the teachings we encountered along the way, to become better! At this moment, we can only be thankful; let's thank our Heavenly Father together! Let's be thankful for Life! For the chance to be in an Order that allows us to build and touch more lives. And to give thanks, there's nothing more important and beautiful than giving back to the Universe.

Mobilize your Bethel and send us two special photos: one of philanthropy and one from a religious service with a beautiful message about the lesson you learned in your Journey.

Because undoubtedly, to weave our lives: The Journey is the Reward. Send it to: supremelibrarian@jdint.org.
