

Lifesavers

This is a promotional program to encourage Bethels, Daughters, and Jurisdictions to promote Job's Daughters "outside of the temple" by doing public acts of kindness and showing that we are Job's Daughters. Not random acts of kindness, but intentional acts of kindness. Job's Daughters should be known as the "kind" organization; recognized for our selflessness and service. For ideas on what your Bethel can do for this activity, please contact:

Terri Brower, PGG, MI
4282 Flamingo SW
Wyoming, MI 49509
616-570-4642

Terri.c.brower@gmail.com

OR

Judy Gordon, PGG, IL
1328 North 11th Street
Pekin, IL 61554
309-472-2534

Judygordon10@icloud.com

Please provide a report to Mom Brower about what your act of kindness was and who it helped. Every Daughter who participates with her Bethel in an intentional act of kindness promoting her involvement in Job's Daughters will receive a small life saver ring from the Supreme Guardian and the promotion committee.

HIKE

Hearing Improvement Kids' Endowment,
the philanthropic of our Order.
This year's theme is:

“Surrender the Treasure for HIKE”.

Be sure to get your HIKE Treasure Chest and earn money to receive the little charms to hang from the chest.

Please see the HIKE Board's flyer for additional details.

In addition to the normal HIKEs and regular fundraisers, please host a “Pirate Party” sometime during the year, with the proceeds to benefit HIKE. There are many ideas for Pirate themed parties and dressing up as a Pirate is always fun!

Be sure to invite your Bees, friends, and prospective members to join in the swashbuckling fun!

HIKE – Pirate Party

Who doesn't love a good pirate party?
Dressing up, fabulous food, and fun games!

Please plan to host one Pirate Party during the year, charging a small fee, with the profit going to the HIKE Fund (profit is money left after expenses).

Be sure to advertise your event. This would be an excellent event for prospective members and Bees. There are many ideas for games, food, and decorations on Pinterest. Be sure that any movies shown, and any games played are Jobie and age appropriate. If your Bethel needs assistance, please contact:

Wendy Leff, Supreme Third Messenger
720-563-9995; wendixie2@q.com

There will be a big Pirate Party at Supreme Session, 2022, benefitting the HIKE Fund. So, you will be able to wear your costume again.

Sloth Day

In honor of our Executive Manager of JDI, Mom Susan Goolsby, we are going to celebrate her favorite holiday – Sloth Day.

Sloth Day is an event of total relaxation. Have food (pizza, ice cream, cookies, doughnuts – you get the idea), wear your pajamas all day, watch chick flicks or action movies, play games, and just enjoy one another's company. Sloth Day should happen

near Susan's birthday, November 22. Please take advantage of doing nothing and show your support for our Executive Manager!

Please charge a small fee for participants and donate the money to the Supreme Scholarship Fund. This fund is near and dear to Susan as well as it was to our Founder, Mother Mick. Send any donations to the Supreme Office (address below).

Also, if you can, have all the Daughters of the Bethel send Susan a birthday card at:

Susan Goolsby, Executive Manage JDI
233 West 6th Street
Papillion, NE 68046

Leadership

Leadership will be conducted virtually online this year. In addition, there will be electronic training modules for individuals that need specific help (Bethel books, promotion, fundraising, etc.). Please make sure that Bethel Daughters and adults are aware of the training sessions, as well as the access to the training modules. Also, if you find someone who needs help, please let our training chairperson know (email is the best method):
