Dear Voting Delegation of Job's Daughters International,

My name is Allison Reed. I am a Past Honoured Queen and Past Grand Guardian of British Columbia, Canada. I am currently Guardian Secretary of Bethel #21 Chilliwack and just finished my year as chair of the Jurisprudence Committee for the Grand Guardian Council of British Columbia. I would like to express my interest in letting my name stand for a three-year elected position on the Board of Trustees.

I am eligible for a position on the Board of Trustees as I am a member of the Supreme Guardian Council by virtue of the fact, I am a Past Grand Guardian and a current CAV for the Province of British Columbia. I am interested in a position on the Board of Trustees to work with the other members to engage in smart business practices; to achieve our goals, to protect our assets, and to strengthen our organization so we will continue for another 100 years. As someone living and working outside of the United States, I believe I will bring a different perspective to the Board when thinking about our Jurisdictions located in other Countries.

In my current job as a Public Servant in the Canadian Federal Government, I am required to communicate effectively with diverse people across various platforms. I spend a lot of time interpreting policy and legislation and providing explanations in plain language to Canadians. I believe this would be a helpful asset when explaining decisions to our Daughters and adults. I enjoy working as a team and I thrive on finding resolutions to problems. I have also been responsible for training and supporting new staff in the various departments I have worked. I believe training and sharing knowledge with the people in our team and those coming up behind us is essential for continued growth and consistency. I am confident that these qualities together with my commitment to work will be an asset to the Board.

Thank you for considering me for this position.

Sincerely,

Allison Reed
