- Past Grand Guardian of Ohio 2007-2008, 2019-2021
- Current Grand Treasurer of Ohio

Narrative:

I have been an active member of Job's Daughters for 41 years and have served as a member or Chairperson of many committees for the State. The things I have learned as a daughter have helped me become a better leader at work with a strong work ethic. My terms as Grand Guardian of Ohio gave me more Leadership experience so I could better serve the daughters of Ohio. Having served as Grand Guardian 12 years apart also provided me insight on how things have changed and how to adapt to those changes. Some of those changes were during COVID, I had to learn to quickly adapt and maintain the enthusiasm for our daughters and adults alike. It goes without saying that everyone did their part to still make Job's Daughters a great organization to belong too.

My family has had a part in Job's Daughters as well. My grandmother, my mom, myself and now my daughter have all served as Bethel Guardian of Bethel 45 and my Grandfather and Dad were Associate Bethel Guardians there as well. My Aunt and oldest sister are PHQ's and my younger sister is a Past Princess all from Bethel 45. My mom is also a PGG of Ohio.

I am currently working for a major Hospital Organization in Columbus, Ohio as a Senior Resolution Specialist in the Revenue Cycle Department.

If elected to this position, I would love to be able to continue promoting and strengthening our organization and ensure that the daughters of this Order will always have a voice that will be heard.
