

PROFILE

What is there to know about me???

I love this organization. I joined Job's Daughters in 1994. As an active member, I held multiple leadership roles on the local and state levels. In my home Bethel I held many stations and presided as Honored Queen three times. As a Majority Member, I was welcomed back to my home Bethel to serve as Guardian Secretary. I have held multiple positions at the GGC and SGC levels, including the chair of Missouri's ritual and Performing Arts competitions. I was our Miss Missouri Committee Chair and assisted with the Miss International Pageant when it was held in St. Louis.

The members of Job's Daughters are my "Why." Why I continue to be a part of this amazing organization. Our members push me to be better and do better for them. I am inspired by their actions. I wish to continue my journey with each of you, representing the Order for our wonderful members.

WHY JOB'S DAUGHTERS?

As we continue this journey navigating through uncharted waters, I want to help ensure that our young ladies are heard. I want to pave new roads, while still respecting our traditions and ideals we hold high. Change can be a scary word, but when we confidently work together, we can create a stronger, more united future for all generations of Job's Daughters.
