

**Please join Mom Katie and Dad Ken in their Step-Up for Education Initiative. All profits will go to the Supreme Scholarship Fund!**

There are 6 challenges at \$20 per person per challenge. Each challenge is designed to encourage individuals to “step-up” and take the stairs whenever possible.

There will be no turning in numbers for steps. It is just a promise you will try to take the steps whenever possible. This is based on the honor system that you will take. Anybody can join you for the challenges: friends, family, co-workers, non-Masonic family members, ANYONE! The goal is to “Step-Up” for Education and raise scholarship money for our Daughters!!

The dates for each challenge:

- 1-October – November 2025
- 2-December 2025 – January 2026
- 3-February – March 2026
- 4-April – May 2026
- 5-June – July 2026
- 6-Supreme Session 2026
- 7-All Challenges

To help offset costs you are encouraged to ask neighbors, masonic family organizations / members, friends or family for donations to help in paying for one, two, or all of the challenges. If you are not able to complete a challenge, standalone donations will gladly be accepted.

Medals will be distributed at Supreme Session 2026 in Springfield. Anyone from your jurisdiction can pick them up for you. If you want them shipped there will be an extra shipping fee determined by your location.
