 - (4) In the event that no majority is received during a virtual election process, then voting again shall continue during the Annual Session of the SGC.
 - (5) In the event that no letter of intent is submitted for any elective office by the deadline for the letters of intent, then election for roles without submission of a letter of intent shall be held during the Annual Session of the SGC.

REASON FOR CHANGE:

This process ensures we have the elected roles fulfilled and allows for a contingency plan if a majority election is not acquired during a virtual voting process.
